Thank you!

Thank you to everyone that attended the EMSYH Regional School-led conference on Monday. Over 150 colleagues from across the region came together to talk, explore, debate, create. The feedback received was extremely positive.

Thank you to our guest speakers, workshop leads, Local Hub Leads and our facilitator for all of their hard work, inspirational messages and invaluable support in helping drive our region forwards.

All of the resources from the day and the presentations will be available on the portal as of Wednesday 4th July.

If you would like any further information regarding the day please contact rebecca.smith@emsyh.org.uk

For Action

Women Leading in Education

Please find [attached](#) details regarding the regional approach to Women Leading in Education and National Coaching Pledge.

There are opportunities for aspirant female leaders in the coming weeks with further events and networks being held in the Autumn Term. Dates tbc.

We are seeking a representative from East Midlands North to drive forwards the work in their area. There is funding to support the roll out of networks and events. If you are interested in playing a lead role in the inspiring women into leadership please contact Rebecca.Smith@sdsa.net

For Information

Regional Induction Pack

The Regional EMSYH Induction Pack for newly designated Teaching Schools and System Leaders is now available via the EMSYH Portal. Please [click here](#).

Please [click here](#) for the 'Frequently Asked Questions' which covers areas such as the regional infrastructure and the EMSYH Company.

If you have any questions please contact Ellen.Lee@sdsa.net.

International STEM

All secondary state-funded schools in England can access the science, technology, engineering and mathematics (STEM) international teacher recruitment programme to recruit mathematics or physics teachers.

For more information regarding the STEM International Teacher Recruitment programme please [click here](#).

Alternatively you can view further information of the following Social Media sites; [Twitter](#) [Facebook](#) [LinkedIn](#).

This area of work is being led by John Coats, Hallam TSA - jcoats@hallamtsa.org.uk

Opportunities

Teacher Recruitment and Retention Strategy: Case Studies Requested

The Department's ITT marketing team are seeking trainee case studies, to support a planned marketing campaign. Ideally case studies would have an interesting back story e.g. a career changer who has left a different profession to train to teach in order to 'give back' to the community. Please could case studies be returned directly to Laura Lane at Laura.LANE@education.gov.uk ideally using the template [attached](#). Alternatively, as case studies are being sought as quickly as possible, you can send names and contact details directly to Laura so that the ITT marketing team can follow up individually.

Teacher Recruitment and Retention Strategy: Summer Term Roadshow

Message from the DfE

We are holding a series of roadshows across the country to seek teachers' views on how to improve teacher recruitment and retention. These views will feed into the [teacher recruitment and retention strategy](#) which the SoS announced in March.

In the East Midlands and Humber region we will be holding two roadshows:

Thursday 5th Jul 16:30 – 18:30 at George Spencer Academy in Nottingham

Thursday 12th Jul 16:30 – 18:30 at Outwood Academy Adwick in Doncaster.

[Click here](#) for further details and to sign up.

Please accept our apologies for the short notice for these events, but as the SoS is keen for us to engage with as many as teachers as possible we would be grateful if you would promote these roadshows to teachers in schools across your networks using the drafting attached.

Regional Opportunities

Please [click here](#) to visit the portal to view the latest regional opportunities.

All the best,
Ellen Lee

On behalf of Chris Wheatley, TSC Representative

East Midlands, South Yorkshire and Humber and Chris Abbott, TSC Representative for South Yorkshire and Humber

Tel: 0116 299 5940 or 07854038899

[The Teaching School Council](#) (TSC) is a national body representing all Teaching Schools in England. The Council is made up of 20 elected members with either a national or regional remit, who direct or shape the work of Teaching Schools through discussion with government ministers and senior officials.

We believe that **every child is entitled to be in a great school.**

There are three commitments that we make as a Teaching School Council.

We seek to ensure that every school in England is:

- able to access relevant and timely support
- prepared to be a giver of support
- in an effective partnership
