

Women Leading in Education East Midlands North Network Launch Event

This new network will provide an opportunity for current and aspiring school leaders to meet and informally network over wine and nibbles. If you've not heard of the Women Leading in Education project then please do come along and find out more!

Date: Thursday 25 April 2019

Time: 4:15pm—6:15pm

Cost: Free for all

Keynote speaker: Jaz Ampar-Farr

There are many messages leaders can take away from listening to Jaz as she shares her story. Clearly, the impact that we have to transform lives comes through loud and clear but she also has a clear passion for helping people uncover their potential to lead and influence. Both her (very) brief stint on TV's *The Apprentice* and her career as a stand up comedian are good examples of this.

We hope you will enjoy listening to Jaz share ideas and insights from her life in her work with leaders and educators which she delivers with humour, energy, honesty and an unswerving optimism in people.
